

As reassuring as daylight.

**GasAlertClip2 & GasAlertClip3**  
H<sub>2</sub>S, CO, O<sub>2</sub> or SO<sub>2</sub>      H<sub>2</sub>S or CO

5 year service free      3 year service free

- Two or three years of protection
- Zero maintenance costs
- Compact and lightweight
- Event logging
- Simple one-button operation
- Audible, visual and vibrating alarms
- Compression proof test
- Rugged IP 6800\* housing

**MultiClip**  
multi gas detector

- Simple one-button operation
- Displays H<sub>2</sub>S, CO, O<sub>2</sub> and LEL (combustible gas) concentrations simultaneously
- Ultra-compact, water resistant housing with built in concussion proof boot
- Standard time logging and event logging
- Durable stainless steel alligator clip
- Ideal for confined space applications
- Dry

\*Housing and base not included. CE Compliant for all countries.

# SamplerPak

## Motorized Sampling Pump

Designed for use with most BW single-gas and multi-gas detectors, the Sampler is an ideal confined space entry accessory. Simply attach it to your detector and activate for continuous remote sampling.

With a rugged pump and a robust, ergonomic design, the Sampler features intelligent diagnostics that tell the instrument when to calibrate itself. Motor speed is self-regulating to provide consistent airflow in ever-changing environmental conditions, and a 30-hour runtime on 2 AA alkaline or NiMH batteries ensures trouble-free operation through multiple shifts.

### Features

- Compact (7.4 x 1.3 x 2.1 in. / 18.8 x 3.35 x 5.4 cm) and lightweight (6.2 oz. / 175 g)
- Compatible with most BW single-gas and multi-gas detectors, including GasAlert and GasAlertMicro
- Pump constantly monitors itself for proper performance
- Low flow alarm, battery alarm and system fault alarm with audible/visual warnings
- Unique, manual flow-block test verifies proper performance
- Up to 30 hours of continuous operation on a single set of AA alkaline or rechargeable NiMH batteries
- Built-in water trap and particulate filters
- Optional extra-long probes and sampling hoses available
