
Product Details

Ultra-Lok® Self Retracting Lifeline 3504433 - 6m, 3504430 - 10m, 3504450 - 15m

- Stainless steel working components for corrosion resistance
- 10m of 5mm galvanised cable lifeline for durability
- Reserve lifeline retention system for added safety
- Self-locking swivel snap hook with impact indicator
- Swiveling anchorage loop to prevent twisting of lifeline
- Meets or exceeds all applicable industry standards including OSHA, ANSI and the stringent ANSI Z359

Ultra-Lok® SRL's come with a durable glass-filled polyurethane housing, a 1 inch web lifeline and aluminum side plates for maximum durability and minimum weight. For added security, Ultra-Lok® systems have an anti-ratcheting twin disc brake system with an audio indicator to let you know it is functioning properly
